## Projects

---

**Original 2D Animated Short Film, "Birds at Work"**, Carrollton, GA

May 2022 - July 2022

- Designed characters for my original short
- Animated the entirety of my short by hand
- Taught myself to use Adobe Animate, After Effects, and Premiere Pro to complete the project myself
- Storyboarded, directed, and produced the short entirely by myself

**Website Creation for a Non-Profit Organization**, Carrollton, GA

January 2021 - May 2021

- Used Google Sites to create a base website for the organization to house as their main source of information
- Organized the data provided into a cohesive order
